

Happy Earth Month!

Recycling Bingo

Give your waste paper a second life (use the backs for notes, origami, etc.)	You take public transit to work	You grow your own food at home. Herbs count!	Check off the 'no utensils' option next time you order food	Go a day without using a single-use paper coffee cup
Use a reusable bag	Learn a compost drop-off location (even if it is currently closed)	Share your own sustainable tip/recipe on social media #DiverseEarth Day	Learn about DSNY's approved E-waste recycling methods	Share a recycling fact with your friends
Plant something! Or, share a picture of your plants #DiverseEarthDay	Recycle properly		Drop off your plastic bags at a designated plastic bag recycling point	Make sure your work desk recycling/garbage bins are appropriately labeled
Eaten food grown or produced in NY	Plan grocery list based on meals for the week to reduce food waste	Think of one waste reduction strategy in your work	Visit the DSNY website to find the next SAFE disposal event	Think of one waste reduction strategy in your home
Eat lunch or a snack in reusable container	Use reusable mug/utensils	Notice something you acquire and dispose of without thinking	Donate what you declutter responsibly	Clean recyclables before disposal
